

Afiscooter

S

The ultimate outdoor
Heavy-duty mobility scooter

The **Afiscooter S** with its spacious design maximize the protection and safety of the driver, with its brilliant ergonomics and with its excellent comfort of driving is **one of the leading mobility scooters in its category**.

This luxurious vehicle that has a proven record of high quality and long-lasting reliability can travel comfortably and safely in various types of terrains as rough off-road terrain (using golf tires) and extreme weather conditions (when using the unique hardtop canopy).

With single or dual seat, 3 wheel model (maximum maneuverability) or 4 wheel model (the ultimate in road presence and stability), either one you choose would fit you perfectly.

Highlights

- New rubber (pu) shock absorbing front bumper to maximize the protection and safety of the driver.
- An ergonomic tiller with a bright, easy to read and improved LCD display.
- A luxurious orthopedic rotatable seat with a high backrest that provides comfort while driving and ease boarding (offered in three widths: 20", 22" & 24").
- Powerful, long-lasting, energy efficient LED headlights.
- The option of wide gt tires, for extra traction and stability together with the high chassis clearance give the Afiscooter S off road performance.
- Optional hardtop canopy with ergonomic design to ensure comfortable ride in all weather conditions.
- Extremely spacious.

Pleasurable
driving experience
