WHEELS FOR LIFE

ALL NEW and distinguished TG1100R sets the standard for Safety, Reliability & Comfort. Designed and developed from the ground up, for dynamic performance in every way. The TG1100R delivers amazing standard features like LED lighting for maximum brightness and performance. A large captains seat with adjustable head rest and side arms for maximum comfort, a sturdy canopy roof, protective full windscreen and large front and rear baskets are also included as standard. With a powerful 950W motor run by 12V 70AH batteries you can live life your way. But Wait! There's even more comfort with the tiller providing multi tilt steering adjustment for ergonomic user positioning.
