Comfort, Style, Performance & Reliability

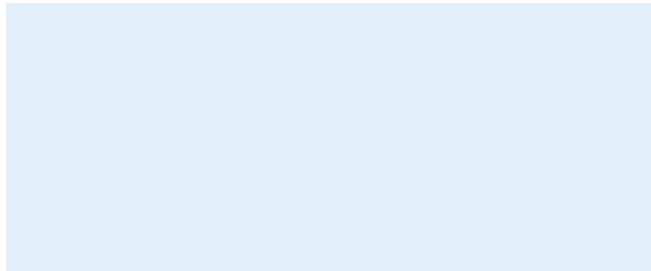

We understand the true value of innovation within this market place; and know that our Scooter development will have a direct influence on improving an individual's life.

“I've been using a Drive Scooter for years and when I decided I wanted a more powerful Scooter the Drive GT was the right choice for me.”

Bill Maynard

The logo for Drive, featuring the word "drive" in a bold, italicized, dark blue sans-serif font. A small yellow square is positioned above the letter 'i'. A trademark symbol (TM) is located at the top right of the word.

Leaflet Code: LL156

A large, solid light blue rectangular area that occupies the lower half of the page, likely intended for a product image.

All sizes and weights stated are nominal. All errors and omissions excepted.
Due to the limitations of photography and the printing process colours shown may not be 100% accurate.
