## Scooter Range

“Compact in size  
big on features”

The Venom has many new features which are only normally found on larger scooters. It's the first Drive mini scooter to include Delta Bars as standard, it also features the next generation Drive splitting mechanism.

The Venom is ideal for use indoors and outdoors where the terrain is forgiving (eg. smooth paths, shopping centres, etc). The Venom has been developed to ensure a focus on Comfort, Style, Performance and Reliability.
