Piccolo Addendum – basic Diagram

BASIC START UP POINTS:

1. To Turn device on, press and hold the RIGHT HAND BRAKE, and then press and hold the circular button called “ENGINE START STOP” at the same time. The device will turn on.
2. To LOCK the device and ensure it doesn't move, don't forget to pull the PARKING BRAKE LEVER up. The PARKING BRAKE is located on the RIGHT side of your seat.
3. To DRIVE
 - a. Turn your machine on by following the above STEP 1.
 - b. Ensure the PARKING BRAKE is down. Be prepared to grab the hand brakes if you are on an incline, as now you have released the brakes.
 - c. Now that you have released the PARKING BRAKE, and your machine is on, on the RIGHT SIDE your driving knob needs to be on “D” for driving.
 - i. N is for Neutral (if you want to PUSH it)
 - ii. R is for REVERSE
4. To Turn the device off, press the “ENGINE START STOP” button. DON'T FORGET to put your PARKING BRAKE on, and to LOCK your DOORS with your keys, and take the keys with you!
